ALL PERSONS traveling by **air** outside of the United States are required to present a passport or other valid travel document to enter or re-enter the United States.

On June 1, 2009, the U.S. government will implement the full requirements of the **land** and **sea** phase of the Western Hemisphere Travel Initiative (WHTI). The proposed rules require most U.S. citizens entering the United States at sea or land ports of entry to have a passport, passport card, or WHTI compliant document.
