100 DAY CHALLENGE

January 16 - April 24

What is Live Healthy California?

Live Healthy California is a team-based program designed to help you and your teammates make positive changes that lead to a healthier lifestyle – through increased physical activity and improved nutrition.

How does Live Healthy California work?

With an online tool at its heart (www.livehealthycalifornia.org) Live Healthy California makes it easy for friends, family members and businesses to form teams, encourage one another and track individual and group weight loss and minutes of activity.

**The power, accessibility and efficiency of the Internet...
combined with the spirit of teamwork...
and small doses of competition...**

make Live Healthy California a motivating, fun, easy and cost effective way to help citizens of California get healthier.
