The San Diego Regional Chamber of Commerce Technology Committee

cordially invites you to join us for our January 18, 2008 seminar,
one of a unique educational series focused on helping you

Make technology work for your company.

These monthly seminars are designed to address the various issues and challenges business owners are facing today to improve their competitiveness in the marketplace.

Intellectual Property 101

Presenter:

Ross Epstein, Managing Partner, San Diego Office of Nath & Associates LLP

Intellectual property is a catchword for business in San Diego. Patents, trademarks, copyrights, trade secrets -- and know how all are there for the exploitation if you understand what they are and how they can add value to your business.

Please join us as we discuss the various forms of intellectual property that exist in business, how to recognize and develop them for what they are, and how to protect and monetize these potentially very valuable company assets.

Friday, January 18, 2008 - 8:30 to 9:30 a.m.

**Location: California Center for Sustainable Energy
8690 Balboa Ave., Suite 100, San Diego, CA 92123**

*There is no charge for the seminar, **however, reservations ARE REQUIRED.***

Please RSVP to avillagrana@sdchamber.org or call (619) 544-1361

**Many thanks to the San Diego Regional Energy Office
